Wellness Talk: Treat Yourself, Don't Trick Yourself... Chocolate isn't a Food Group

Guilty as charged... for the two weeks post Halloween, chocolate is one of my main food groups. In my defence however, I don't eat a lot of junk food or chocolate at other times of the year; maybe just a little at Christmas, Valentine's Day and Easter... ok, most holidays... I might just need to learn a few things to change my own habits.
