

Join Dunk & Associates as we address the “hot topics” facing Ontario. Understanding hazards with a focus on psychological hazards, learn to identify and control them in your workplace. Discuss with our professional staff the investigation process, and engaging your safety committee. Our afternoon will be spent dealing with ‘fit for duty’ in Ontario. Impairment from marijuana, prescriptions and learn the lessons from losses Employers are facing. It is a full day and includes a healthy lunch and great opportunities for discussions and answers.
