

What is the HSEp?

WSIB's HSEp recognizes an Employer's and workplace's efforts in safety. This program integrates the strengths of the previous Safety Groups and Workwell programs. This model provides a clear road map for Ontario businesses to improve health and safety, achieve recognition, and help make Ontario a healthier and safer place to work.

Whether you are just getting started or want to build on your existing Health and Safety program, the HSEp can help you reach your goals.

Participants can earn both financial and non-financial rewards and create safer workplaces and cultures.

Dunk & Associates does not take a percentage of the Employer earned rebate. We never have, and we never will.

Dunk & Associates offers more than just documents and legal jargon. We engage with each member and meet you where you are on your safety journey. What's Included in the HSEp?

Webinars

We host **MANDATORY** meetings and sessions via our Guidance & Instruction webinars, making it easy for members to participate. Attending all quarterly webinars are **MANDATORY**. These webinars are where we share important HSEp updates and validation focuses on getting you through the program successfully without frustration, as well as impacting legislation in Ontario. They are also a great way to network with other members and share best practices.

If you cannot attend live, you **MUST** watch the recording from the Dunk HSEp Portal within 2 weeks and send an email to us to let us know you watched it. Failure to attend or watch the webinar will result in the Self-Directed HSEp Members having to move to the HSEp Plus program (at additional cost) or be removed from the program altogether. Submissions will be reviewed in a first in first out order. **MEMBERS MUST BE AWARE THAT SUBMITTING AFTER THE 10TH MONTH MARK COULD RESULT IN NOT ACHIEVING A REBATE DUE TO WAITING TILL THE LAST MINUTE.** If an extension is required to complete the program, the cost is \$75 per topic for additional 3 months and must be paid for by credit card

11. All evidence submitted by the employer will be validated by WSIB, with some employers potentially being selected for an onsite validation. If selected, employers may need to allow WSIB access to all locations under the account number.
12. An employer who declines to participate in an onsite validation (virtual) will not receive any recognition; financial or non-financial.
13. Employers will only be validated on the topics that evidence is submitted for; if topics are being deferred, the employer must notify Dunk & Associates. No refund or credit is given for deferred topics.
14. Employers and their employees may be asked to participate in questionnaires or surveys as part of the ongoing HSEp evaluation.
15. Employers are required to adhere to the Excellence program requirements.
